

**Come be a part of a special evening to support two local hockey teams and Connecticut's public school children.**

On Friday, November 23, the Bridgeport Sound Tigers face off at a home game against the Hartford Wolf Pack. All fans are encouraged to bring new teddy bears to the game; teddy bears will also be available to purchase at the event.

When the Sound Tigers score their first goal, fans toss their bears onto the ice. All teddy bears collected will then be donated to the Connecticut Education Foundation's (CEF) 2018 Holiday Bear program.

CEF is the charitable arm of the Connecticut Education Association (CEA), and its Holiday Bear program delivers gifts and holiday cheer to our state's neediest children—students who have been nominated by teachers aware of their families' needs.

We hope teachers and their families will be a part of this special event, coming together to cheer on two great teams and show their support for our state's neediest students.

**DETAILS**

**Friday, November 23 • 7:00pm**  
Webster Bank Arena, Bridgeport  
Buy CEA member-discounted tickets at [cea.org/mb](http://cea.org/mb).
