Set an ambitious goal, just beyond what you think you can achieve.

Don't be shy -- remind people. It's smart to ask more than once. People need reminders. Use Facebook, Twitter, etc. Throw a party, make face to face requests. Send thank you's!

***If your sponsors commit a total of \$500 to your run by 9/23, your marathon registration fee will be refunded to you upon your request! In addition, we will have prizes for top fundraisers and best local association support!***
