

CEA LEGAL RESOURCES WHEN AND IF YOU NEED THEM

As teachers, we hope never to find ourselves in need of legal protection, but if we do, CEA's legal team is there to help.

CEA's attorneys are experts in education, labor, and employment and provide full legal protection in employment-related matters—to all CEA members, free of charge.

“You don't know how much you need the union until something terrible happens to you. I don't know where I'd be right now without CEA.” Mark Callahan, former Naugatuck teacher

Mark's career ended after a tragic accident at school, but CEA's legal team successfully litigated his workers' compensation case free of charge, and he received a \$300,000 settlement. If Mark had hired a private attorney, it would have cost him 20% of his settlement, or \$60,000.

All CEA members receive free legal representation for

- ✓ Statutory terminations
- ✓ Nonrenewal hearings
- ✓ DCF investigations
- ✓ Workers' compensation
- ✓ Unemployment

“AS CEA MEMBERS, WE ARE NEVER ALONE. THERE IS PEACE OF MIND THAT IN OUR TIME OF NEED, CEA HAS RESOURCES TO HELP US WITH ANY LEGAL OR PROFESSIONAL ISSUES WE MAY HAVE.”

GEORGE MACARY
NAUGATUCK TEACHER

“I can't say enough good things about CEA's lawyers. I've never seen lawyers who are as compassionate and competent. They were phenomenal.”

Mary Ann Sporicic, Oxford teacher
